

# CHANDRA SPARKS SPLOND

# SECRET WEAPON

This year, it feels so good to be King.

## ABOUT THE BOOK

---

Growing up is hard to do, especially when you're eleven-year-old Kingston Evan Marshall. Now that he's in middle school, King can finally leave the annoyances of elementary school behind—or can he? Between trying to get respect on the basketball court—and from the class bully—and hoping to make his mother understand he's not a little kid anymore, King has a lot going on. Can he find the secret weapon to make this the most amazing school year ever?
