IT'S LIKE THAT

Sometimes life forces you to make some tough decisions.
Sometimes...it's like that

ABOUT THE BOOK

After suffering a tragic loss ten years ago, twenty-six-year-old Jasmine Richardson has traded her love of lyrics for writing legal briefs. It only takes one encounter with the microphone for Jasmine to realize the music is still in her heart—if only it could pay the bills. After making some bad decisions, Jasmine is thrown into a tail-spin. She is forced to consider taking a case that could make her legal career from someone from her past. Suddenly, Jasmine finds herself questioning her future. When the music is still in your heart, sometimes life forces you to make some tough decisions. Sometimes...it's like that.
